Camp Rules of Conduct

Dear Retreat Coordinator,

Please go over these rules of conduct with your group at orientation. Your help in these areas allow us to preserve a safe and pleasant environment and a Christian witness to the residents near our properties.

PUBLIC ACCESS TO BEACH / PRIVATE PROPERTY

Please use the Public Access path to go to the beach. All other land along the beach is privately owned. Please show respect for our neighbors by not trespassing on their property or decks in front of their homes. (This includes parking in front of their homes.)

SEA OATS

Please do not cross over the barriers and fences that surround the sea oat plantings. This is a protected species, and it is illegal to pick or damage a sea oat plant. **TOWELS AND CLOTHING MUST NOT TOUCH FENCES OR PLANTS.**

TRASH ON THE BEACH

Help us keep the beach clean for everyone by not littering. Trash receptacles are provided on the beach

CAMP CURFEWS

Please make sure your group is off the beach and within retreat boundaries by 11pm C.S.T. Groups should be quiet and in their rooms by 12 midnight C.S.T.

BEACH FLAG WARNING SYSTEM

Blue Flag	Safe to Swim.
Yellow Flag	Use caution, dangerous conditions may exist.
Red Flag	Do not go in the water, dangerous conditions exist.

SUPERVISION

Please provide at least one adult supervisor to reside in any room where minors are housed, and also provide visual/safety supervision in meeting room and outdoor recreation areas. We recommend formulating a buddy system for swimming, especially in the Gulf, and commissioning an adult supervisor to make sure group rooms are locked during meeting, and any time the group leaves the property. Remind your group that items left outside locked room are not secure from theft.

PROHIBITED ACTIVITIES

- Fireworks/Water Balloons/Shaving Cream/Large Squirt Guns/Skateboards
- Loud music after 10 P.M.
- Unintended use of furniture/equipment
- Hazardous play around pools such as running, shoving, diving

DISTURBANCES BETWEEN GROUPS

If you feel another group member is disturbing others by violating Laguna Beach Christian Retreats conduct rules, please help us by reporting the activity and the name of the group to the office or one of our gift shops. Management will follow up promptly to address the disturbance or correct the problem. Responding this way to disturbances helps solve problems and miscommunications without disrupting unity among our various Christian groups.

MAINTENANCE

Please help us by informing everyone in your staff to report maintenance problems, questions about policies, and requests of any kind to the office, stores, or any of our staff on the grounds. Our friendly staff will then get word immediately to the right person to handle your need.

Damages will be assessed for vandalism, horseplay, and carelessness. We charge \$50 per hole for sheet rock damage.
